**TO: Fellow Mopar Enthusiast**

**RE: 41th Annual Midwest Mopars in the Park  
National Car Show and Swap Meet – May 30th – June 1st 2025**

On behalf of the Midwest Mopars car club, I would like to personally invite you to be a contributing sponsor for the largest **All Mopar** car show and swap meet in the Midwest! Our 41st Annual Midwest Mopars in the Park National Car Show & Swap Meet is fast approaching and we're looking to you for your support!

The three-day event will be held **May 30th – June 1st, 2025**, at the **Dakota County Fairgrounds in Farmington, Minn.** The 2024 event produced more than 1,600 beautiful Mopars in our show fields, over 300 swap meet vendors from around the US and more than 20,000 spectators came to visit our event and enjoy our tribute to some of Mopar's most distinguished and prominent guest personalities. Our manufacturer's midway was larger than ever with many national vendors who were attending for the first time and were excited to return in 2025 due to their huge success at our event!

Because we recognize that the economy continues to put a strain on everyone's advertising dollars, we offer several easy ways for you to showcase your company at our event while maximizing the return on your marketing dollars. **See the enclosed Sponsorship Categories.** Again this year we will provide an event Program to directly promote our sponsors during the three-day event. The Program will be distributed to everyone in attendance at our event and include a detailed map of the grounds and a list of sponsor locations. Your target audience will have your offerings in their hands long after the event itself. See the enclosed Program Rate! Note: You must be a contributing show sponsor to advertise in the Program.

We look forward to your support of our national car show and swap meet! The earlier you reserve your space, the sooner you'll be included in our marketing efforts in promoting the show. For more information, contact me directly at 612-801-0874. For a closer look at our 2025 show and to keep up-to-date on activities planned for our 2025 show, please visit us at [www.midwestmopars.com](http://www.midwestmopars.com).

Thank you in advance for your support.
